

CHLGA League Game Survey Summary:

Question #1: The vast majority of ladies, **66%** are Very Satisfied or Somewhat Satisfied with the games. As compared to **9%** that are Unsatisfied or Very Unsatisfied. Comments were mixed between wanting more team games and some liking the individual games.

Question #2: A majority of the ladies like the Magnolia Cup, 49%; while 15% are unsatisfied. **HOWEVER**, only 34% want to keep both Ace of Aces and Magnolia Cup, and only 6% say keep only Magnolia cup. Comments seem to focus on the inability to be competitive if you can't play each time the game is scheduled.

Question #3: A majority of ladies, 57%, like the Ace of Aces compared with 12% who do not. This is consistent with 40% of ladies who say keep only Ace of Aces. Comments are negative regarding the game, however, that doesn't correspond with the rating of the game.

This is very valuable data for the next league game director. It gives us a great benchmark on the games we like to play.

1. Please rate how much you enjoyed the games over the past 6-9 months.

- 1.1. Just started
- 1.2. I like in flight games. I thought the year gave us a great variety of games.
- 1.3. Unsatisfied when we had member/guest because they only game out 1st and 2nd places. It should be more. 1st, 2nd, and 3rd.
- 1.4. Play just golf once a month.
- 1.5. I found that I played with the same people almost all the time to the fact we did not have as many ABCD games.
- 1.6. With the wealth of games available, it's disappointing that there were 5 "just golf/low net" games.
- 1.7. I like playing = people of different flights.
- 1.8. No magnolia cup. Make up for Ace Aces or offered more.
- 1.9. I would like to see more mixed flight games to get to know more members.
- 1.10. More mix with different girls enjoy mixing fields.
- 1.11. I like more team games with mixed flights.
- 1.12. Enjoy the mix – ½ flight games ½ mixed flight games.
- 1.13. Too many games played within flight.
- 1.14. Enjoy team games but know this is very hard to do with cancellations. The only kind of game I don't enjoy playing is the games where you have to pick holes to throw out before play.
- 1.15. Just rejoined in the fall. Prefer more ABCD games like before. Otherwise, we seem to play with same people.
- 1.16. Game director does a great job!
- 1.17. Don't want too many team games.
- 1.18. I'm here to play golf, don't want too many team games, not here to socialize, we are a competitive league to play golf.
- 1.19. Better players are faster golfers, I don't want to play with the slower golfers too often.
- 1.20. **No Comments written = 18 surveys.**

2. Please rate how much you enjoyed the Magnolia Cub Game

- 2.1. Didn't play.
- 2.2. I was gone out of town a lot this year, so I have no chance to enjoy the games more.
- 2.3. Would prefer a true point quota event (lose pts/gain pts.)
- 2.4. I enjoyed the game.
- 2.5. Very Fair.
- 2.6. I enjoy season long events.
- 2.7. Unfair – geared to those who attend here the most. No alternate game offered.
- 2.8. I prefer games lasting only for a 2 week duration.
- 2.9. If you miss one or two rounds you are out of the competition.
- 2.10. Unfair when you can't play example snowbirds, illness
- 2.11. If someone has a super game, impossible to compete – should have positive and negatives.
- 2.12. Being a snowbird, the cumulative nature of the game eliminates any chance of getting points – I know I'm in the minority.
- 2.13. Not sure how to make it fair when there are some members who never miss a week. To way to catch up.
- 2.14. Don't mind Magnolia Cup, but don't care of every other month 3-4 times a year plenty.
- 2.15. Once a year is fine. Difficult to schedule a 2-week game.
- 2.16. Like this format.
- 2.17. Did not play.
- 2.18. I like it, don't care for Ace of Aces.
- 2.19. **No Comments written = 17 surveys.**

4. Other CHLGA Game Comments/suggestions:

- 4.1. I am glad to join again, my game has been bad, but I'll work hard to improve.
- 4.2. Would like to play with a variety of players.
- 4.3. Play just golf once a month.
- 4.4. I prefer inflight games – maybe limit it to half the games.
- 4.5. With the span of handicaps, I believe there should be an equal number of individual and team games.
- 4.6. Integrate the flights more – ABCD should all play together.
- 4.7. If playing BB of 2 or 4; should be able to p/u ball if partner has already gotten lower score. Should take either score that you are putting for or not have to post score. Will speed up pace of play.
- 4.8. More ABCD Games.
- 4.9. I agree with JoAnn Messina, to a degree. There are some members of our league that I have never played with I would love to play with all members.
- 4.10. We need to learn to be “tolerant” of “happy moments.” Fun=noise = friendship, better atmosphere. Is it more about friendship or the game???? Have a good score & get reported for having fun. Think about it.
- 4.11. Would like to play just straight golf – no games.
- 4.12. Keep Magnolia Cup.
- 4.13. Better Explanation of Games.
- 4.14. Really don't have preference. Agree with JoAnn about # of Games played outside of my flight. Would like more.
- 4.15. We would like to play with members from different flights.
- 4.16. **No Comments written = 21 surveys.**
