

CITRUS HILLS LADIES GOLF ASSOCIATION

Procedures for adding Phone Icon

1. Open a browser (Safari, etc.) on your phone. I have had great luck with Safari.
2. Search or type URL:
 - a. www.CHLGA.org (use upper or lower characters, not case sensitive)
3. You should see something that looks like this:

- a. Click on this diagram.
- b. Look for the option that says Add to Home Screen.
 - i. It might look like this:

- c. Once you click on the diagram, a screen will come up titled Add to Home Screen.
 - i. At the top of the page, you should see an Add Button.
 - ii. Click the Add Button.
 - iii. Close the browser and check your phone for the icon.
 - iv. Click on icon to make sure it works.

Procedures for adding Desktop Icon

1. Open a browser (Google, Internet Explorer, etc.) on your computer.
2. Search or type URL:
 - a. www.CHLGA.org (use upper or lower characters, not case sensitive)
3. At this point you should be on the Citrus Hills Ladies Golf Association Home Page.
4. Using your mouse:
 - a. Click the right mouse button.
 - b. A long menu will come up.
 - c. Look about ½ way down the list until you see the words that say
 - i. Create Shortcut.
 - ii. Click on that option.
 - iii. You should get a message that says:
 1. Do you want to put a shortcut for this website on your desktop?
 - a. [HTTP://www.CHLGA.org/](http://www.CHLGA.org/)
 - b. Yes/No
 - c. Click Yes
 - iv. Close the browser and check your desktop for the icon.
 - v. Click on icon to make sure it works.
